1. Funding Opportunities – Call for Applications

The Society of Directors of Research in Medical Education is interested in supporting the writing of review/synthesis papers that make a substantial contribution to advancing practice, theory, or research in medical education. The grant will award up to $4000 to the primary author. For eligibility and submission requirements, go to http://sdrme.org/scholarship.asp. Proposals are due September 4, 2018.

The AAMC, in cooperation with CDC, is accepting applications for a Workforce Improvement Project. This project aims to provide learning content to the public health workforce in communication, leadership, and problem-solving related to population health. Applications are due by July 30, 2018. For more information, visit https://www.aamc.org/initiatives/diversity/portfolios.

If you would like help with a proposal, please contact Ellen Goldman at egoldman@gwu.edu

2. Space for Faculty Visiting Ross Hall

Space in the CFE is available for faculty looking for a quiet space to work, or for collaborating with other faculty. The Center is located at the rear of the first floor of Himmelfarb Library. There are individual workstations and a conference room. Please contact Casey Tonn, ctonn@gwu.edu, to reserve the space, or simply walk in to check availability!
