This multi-level dual degree program offers academically qualified individuals a seamless and accelerated pathway for completing both the Bachelor of Science in Health Sciences (BSHS), a degree completion program, and the Master of Science in Health Sciences (MSHS) in Clinical Management & Leadership. Undergraduate and graduate degrees are conferred sequentially, with the BSHS awarded upon completion of 120 credits (9 of which are taken for graduate credit). The MSHS is awarded following completion of an additional 27 credits of graduate coursework.

The Clinical Management & Leadership (CML) Program prepares professionals from a variety of clinical disciplines for positions in all sectors of the health care delivery system. Program graduates have the capacity and demonstrated competence to be successful in mid-level and upper-level leadership and management roles throughout the health care industry.

### Curricula

#### BSHS

**Transferable Coursework**

(60 credit hours)

For an assessment on the transferability of your previous coursework, please contact the program office. Coursework will be evaluated for transfer using the following criteria:

- College-level
- Academic in nature
- Completed at a regionally accredited institution
- Earned with a 'C' or better

**General Education**

(21 credit hours)

- English Composition
- Science (6 credits)*
- Humanities and/or Social Sciences (12 credits)*

*Applicants may complete outstanding coursework through additional Health Sciences Distance Education courses.

**Advanced Standing and Electives**

(39 credit hours)

Academic credit may be awarded for ACE-recognized military courses. Additionally, up to 39 credits of advanced standing may be awarded to graduates of non-college based health programs who present appropriate documentation (e.g., EMT or RN license).

#### MSHS

**Coursework at GW**

(27 credit hours; 3 credits each)

- **Clinical Management & Leadership Courses**
  - CML 6202 Human Resource Management
  - CML 6203 Health Information, Quality and Outcomes

- Develop a personal leadership philosophy and framework for providing leadership to teams and organizations.

- Develop skills to improve systems within clinical and healthcare organizations.

- Utilize research methodologies to inform strategic healthcare management decision making.

- Demonstrate proficiency in communication skills necessary to manage and lead effectively.

- Synthesize divergent perspectives, conflicting evidence, and diverse stakeholder interests.

Apply for Admission

ADMISSIONS REQUIREMENTS
All applicants are required to complete an online application as well as submit the following supporting documents:

- Official transcripts from all previous academic institutions
- One letter of recommendation
- Current resume
- A statement of purpose

Admitted students may begin their course of study during the Spring, Summer, or Fall semester.

COSTS AND FUNDING
Current information concerning tuition, fees, and other estimated expenses can be found at colonialcentral.gwu.edu.

Students who are on active-duty are eligible for a special military discount tuition rate. Please contact the program office for further information.

REQUIRED TESTS
The program does not require the submission of an entrance exam. Applicants whose native language is not English or who are not citizens of countries where English is the official language are required to submit scores from either TOEFL or IELTS. Please visit the Admissions website for more detailed information.
