# Oncology Patient Navigator Training: *The Fundamentals*

A **FREE** Online Training for Patient Navigators  
Based on the Core Competencies for Oncology Patient Navigators

## Target Audiences:

**Oncology Patient Navigators without a clinical license** (sometimes called "lay navigators")

The George Washington University (GW) Cancer Institute is excited to launch the Oncology Patient Navigator Training: The Fundamentals through its Online Academy. Through a series of self-paced modules, the training walks participants through:

- An overview of patient navigation and core competencies
- The basics of health care
- The basics of patient navigation
- Enhancing communication
- Professionalism
- Enhancing practice

## Participants have access to:

- 20 hours of Interactive in-depth presentations
- The Guide for Patient Navigators, which includes tools and resources for patient navigators and their patients
- A certificate of completion

## Get started in 3 easy steps:

1. Visit the GW Cancer Institute Online Academy at <http://tinyurl.com/GWOnlineAcademy>
2. Login or register for an account
3. Use enrollment code: PNTrain (case sensitive)
