

**DIVISION OF GASTROENTEROLOGY
PUBLICATIONS 2010 - 2011**

ABSTRACTS

1. Dubin S, Chaudhari R, Borum ML. Translation Services and Patient Navigation Significantly Improves Adherence of Non-English Speaking Patients to Gastroenterologists' Recommendations. *American Journal of Gastroenterology* 2010; 105: S405.
2. Uradomo L, Pandolfe F, Aragon G, Borum ML. Spyglass cholangioscopy for management of choledocholithiasis during pregnancy: Decreasing fetal risks with advancement in technology. *American Journal of Gastroenterology* 2010; 105: S211.
3. Shafa S, Borum ML. Localized Mesenteric Lymphadenopathy: An atypical presentation of Crohn's Disease. *American Journal of Gastroenterology* 2010; 105: S357.
4. Chaudhari R, Dubin S, Borum ML. Non-English speaking patients have similar adherence to recommendations with institutional or family-provided translation and navigation services. *American Journal of Gastroenterology* 2010; 105: S406.
5. Frist M, Pandolfe F, Uradomo L, Borum ML. Death from herbal tea: Hepatic veno-occlusive disease and fulminant hepatic failure secondary to Chinese herbal tea ingestion. *American Journal of Gastroenterology* 2010; 105: S294.
6. Hataru M, Voltaggio L, Stamatakos M, Borum M. A Rare Case of Metastatic Hepatocellular Carcinoma to the colon With Associated Paraneoplastic Syndrome. *American Journal of Gastroenterology* 2010; 105: S297.
7. Al-Bawardy B, Fine S, Jencks D, LaFond J, Oza V, El Bahesh E, Chandler M, Borum ML. Women's Age May Influence Gastroenterologists' Assessment for Cervical Dysplasia in Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: Supplement
8. Al-Bawardy B, El Bahesh E, Jencks D, LaFond J, Fine S, Borum ML. Women with Inflammatory Bowel Disease who had a Gastroenterologist and Internal Medicine Physician in the Same Practice were More Likely to Undergo Pap Smears. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement
9. Jencks D, Al-Bawardy B, Fine S, Lafond J, Borum ML. The Importance of Gynecologists in the Management of Women with Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement
10. Lafond J, Fine S, Al-Bawardy B, Jencks D, Borum ML. Provider Counseling on Human Papillomavirus and Vaccine in Young Women with Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement

11. Fine S, Al-Bawardy B, Lafond J, Jencks D, Borum ML. Cervical Dysplasia Screening in Women with Inflammatory Bowel Disease who are maintained on Immunomodulators. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement

12. Fine S, Lafond J, Al-Bawardy B, Jencks D, Uradomo L, Borum ML. Cervical Dysplasia in Women with Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement

13. Fine S, Al-Bawardy B, Lafond J, Jencks D, Borum ML. Age Specific Investigation of Quality of Life in Adult Patients with Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement

14. Fine S, Lafond J, Al-Bawardy B, Jencks D, Borum ML. The Impact of High Intensity Competitive Sports May be Underrecognized in Young Adults with Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement

15. Oza VM, Lafond J, Borum ML. The Potential Impact of Health Reform Upon Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement

16. Lafond J, Rosenthal L, Al-Bawardy B, Fine Sean, Jencks D, Borum ML. Hospitalization Rates Differ in African-Americans and Whites with Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement

17. Ginsberg A, Jencks D, Borum ML. The Importance of Cultural Sensitivity and Awareness in the Management of Inflammatory Bowel Disease. *Journal of Inflammatory Bowel Disease* 2010; 16: supplement

18. Uradomo L, Borum M. Insurance Coverage for Screening Colonoscopy at Age 45 For African Americans: Low Adherence to Guidelines in States With Large African American Populations. *Gastroenterology* 2011; 140 (5): S521.

19. Doran A, LaFond J, Fine S, Al-Bawardy B, Jencks D, Uradomo L, Borum M. Sub-optimal Pap Smear Performance and Increased Risk of Cervical Dysplasia in Women with IBD: A Potentially Dangerous Combination. *Gastroenterology* 2011; 140 (5): S432.

20. Bashir S, Borum ML. Coexistent Heterotopic Pancreas and Brunner Gland Hyperplasia Causing Gastric Outlet Obstruction and Mimicking Pancreatic Head Tumor. *Gastroenterology* 2011; 140 (5): supplement

21. Zeddun S, Borum ML. Factors Affecting Adherence To Split Dose Bowel Preparation For Colonoscopy. *Gastroenterology* 2011; 140 (5): supplement

22. Bashir S, Borum ML. Esophageal Inlet Patch: Experience in a Tertiary Care Center. *Gastroenterology* 2011; 140 (5): S233.

MANUSCRIPTS

1. Aragon G, Graham DB, Borum ML, Doman DB. Probiotic therapy for irritable bowel syndrome. *Gastroenterol Hepatol* 2010 Jan 6 (1): 39-44.

2. Ramsay D, Stephen S, Borum ML, Voltaggio L, Doman D. Mast Cells in Gastrointestinal Diseases. *Gastroenterol Hepatol* (in press).

3. Al-Bawardy B, Fine S, Jencks D, LaFond J, Doran A, Borum M. The Missing Cohort: Inflammatory Bowel Disease Patients at Increased Risk for Cervical Dysplasia May be Under Vaccinated for HPV. *Inflammatory Bowel Disease* (in press).

4. Stephen S, Sardana N, Borum ML Hard to Stomach: Gastroenterologists May Inadequately Counsel Patients About the Potential Interaction Between Proton Pump Inhibitors and Concomitant Clopidogrel Use. *Digestive Diseases and Sciences* (in press).

5. Gladden J, Zeddun S, Sardana N, Borum ML. Internal Medicine Resident Physicians May Be Uncomfortable with Managing Irritable Bowel Syndrome at the Completion of Residency. *Southern Medical Journal* (in press).

6. Adham K, Dougherty T, Sardana K, Borum ML. Search with Caution: Internet Sites Target Pediatric Crohn's Patients with Probiotics that Often Claim to be Curative. *Inflammatory Bowel Disease* (in press).

7. Adham K, Dougherty T, Sardana K, Prakash P, Borum ML. Buyer Beware: Therapeutic Claims of Probiotics Marketed to Crohn's Patients Via the Internet Lack Supporting Data. *Inflammatory Bowel Disease* (in press).

BOOK CHAPTERS

1. Lew SQ, Borum ML, Ing T. Gastrointestinal Problems in Acute Kidney Injury, in *Jörres-Management of Acute Kidney Problems*.

2. Nguyen H, Raziuddin A, Barocas J, Borum ML. Gastric Disease in the Aged, in *The Gastrointestinal Tract in the Aged* (in press)

3. Chandler M, Zeddun S, Borum ML. The Role of Positron Emission Tomography in the Evaluation of Inflammatory Bowel Diseases (in press)
