# How to Create an Account and Register for a Resident Education Online Course

1. Go to **www.asrm.org** and click "**Log in**" (located in the upper right corner on a desktop computer).

2. If you already have an ASRM account, skip to **Step 6**.

3. On the "**My ASRM**" homepage, click "Register" to create a new ASRM account. Note that this process creates an ASRM account, but does not sign you up for membership.
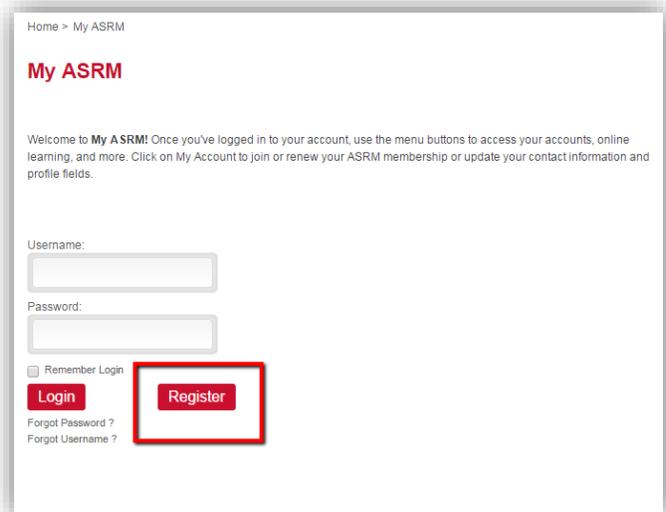

4. Type your email in the provided box and click "**Next**". You will then be prompted to provide additional contact information and other personal information. Fill out each field with a red asterisk (*) beside it, and any other information you would like to provide.
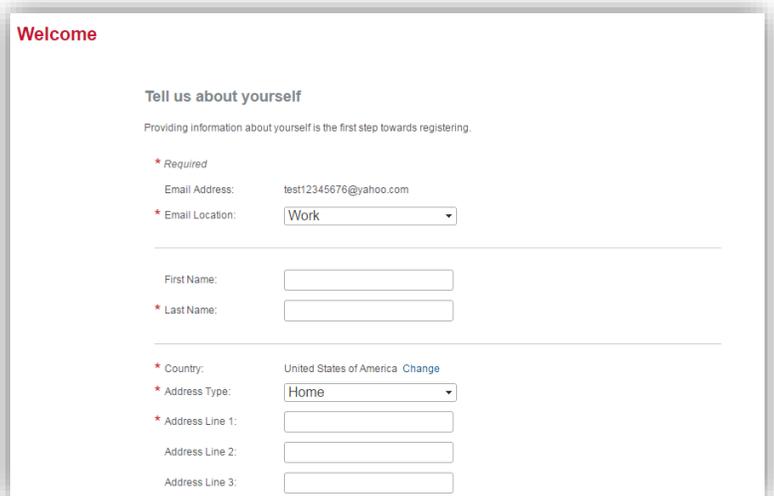

5. Click "**Next**" once all fields are completed. You will then be directed to the ASRM homepage.

6. Select "**My Account**" at either link shown at the top of the page and select "**About My Profession."**
   On this page click "**Add a Position**" and select "**RESIDENT**" from the drop-down list. Click **SAVE.**
   At the bottom of this page, click "**Add CREOG Program**" and choose your program from the drop-down list.   Click **SAVE**.
   Note to International residents: Please select "International Residents" from the list of CREOG Programs.

   NOTE: These steps are required to be able to access the Resident Education modules.
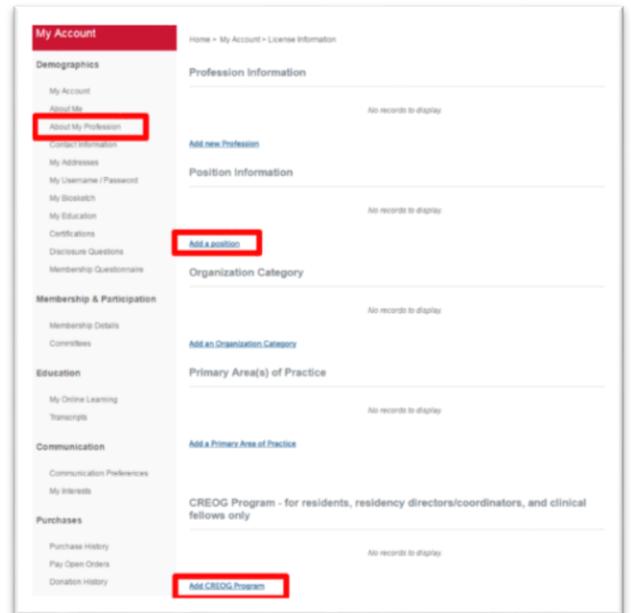

7. Now you can register for courses. Hover over the "Learn" tab and click on "Find A Course."

Find A Course

8. The online learning catalog will display. The default setting is to display only courses that you are eligible to take based on your credentials and professional information. However, **you can choose** to show all courses. You can also filter the online learning category by keyword search, topic, and type of credits. Search for Resident Education courses by selecting

> Topic = Resident and Fellow Education
>
> or
>
> Credits = CREOG

9. In the catalog, the course name, price, and credits are displayed. For more information about a course listed, click on the small magnifying glass icon next to the course name.
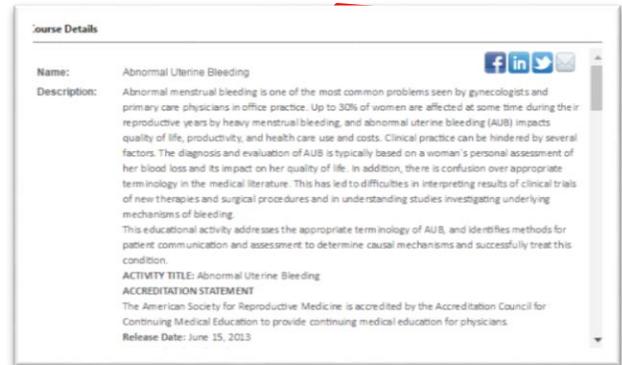

10. Select one or more courses by checking the checkboxes in the "**Select Course(s)**" column. When you are done selecting courses, click "**Register Now."**
11. You will be registered automatically for free courses. For paid courses, review your cart, enter your credit card information, and click "Complete Registration."
12. Upon submitting payment, you will be directed to a payment confirmation page. You should also receive a receipt for payment via email.
13. **To start a course, click the link on your confirmation page or go to My Courses**.
