The Daily Digest - GW Clinical Enterprise

This email is intended to serve as a digest of all messaging for our clinical faculty, students, and staff. We will send this email at the close of business each day, as we are managing daily operations during the COVID-19 pandemic.

This content will also be available at www.COVID19GWHealth.com - please refer to that site often, as we will be posting updates on a regular basis.

If you have feedback, please feel free to send to SMHSNews@gwu.edu.

The GW Medical Faculty Associates Updates

1. **Grand Rounds "Well-Being in the Time of COVID-19"** is for the Department of Medicine only tomorrow. A link to the taping will be shared with the wider community later in the afternoon.

2. **MFA is changing its visitor policy.** The GW MFA appreciates your patience and flexibility as we navigate the COVID-19 pandemic. In an effort to provide a safer environment and promote social distancing which is recommended by the CDC, we are asking that patients limit the number of people accompanying them to an appointment to no more than one person. Additionally, we are respectfully asking that children not accompany any adult patients, unless there is a medical necessity. Thank you for understanding our need to do so and for helping us keep you and our greater community healthy.
3. Please join CMS Administrator Seema Verma and leaders from across the agency, (today) Wednesday, March 18th from 7 - 8 PM EST for a COVID-19 Call with Physicians.

CMS leadership will discuss 1135 waivers, the agency's latest telehealth guidance, and other important updates impacting the provider community. There will be audience Q&A and the call will be recorded if you are unable to join. Please distribute this invitation to your colleagues and membership.

Wednesday, March 18th from 7 - 8 PM EST
Dial-In: 888-603-8935
Access Code: 3210772

4. We have posted telework agreements and information on our Employee Assistance Program to the MFA Connector.

GW Hospital

1. We have posted an FAQ regarding COVID-19 and pregnancy in healthcare workers to the website.

The GW SMHS

1. SMHS Bistro Update: Out of an abundance of caution and following the protocol set forth by the CDC regarding social distancing to prevent the spread of COVID-19, the Bistro in SMHS will be temporarily closed effective March 19th through April 5th 2020. The re-opening of the Bistro will be contingent on University directives as we continue to monitor the situation.

As always, our top priority remains the health and well-being of our students, staff and faculty.
