1. New Print Resources for Staff: Patient Notification regarding Lab Testing
To ensure the safety of our staff and patients, we are working to alleviate the volume of our lab testing centers. Please see below the resources encouraging patients with standard and time-sensitive lab needs to revisit the lab at another time or consider visiting another LabCorp location to conduct these tests. Please adjust the template to your department/phone number using the links below:

1. **Routine cleaning:** The CDC recommends routine cleaning of frequently touched surfaces. This includes tables, desks, doorknobs, light switches, handles, nursing stations, toilets, faucets, sinks, and electronics, such as cell phones, computers and keyboards. The CDC recommends cleaning with EPA-registered disinfectants that are appropriate for the surface, following label instructions. For electronics such as cell phones, tablets, touch screens, remote controls, and keyboards, only use wipes to clean.

2. **Health Heroes banner:** Check out the new heroes banner on the side of the hospital near Washington Circle. We are so proud of all of our healthcare heroes.

3. **Donations:** Nursing Administration is collecting donations of Sunshine Kits for DC Youth to help them feel less isolated during the COVID-19 Pandemic. Donations will be accepted for four weeks.

The GW SMHS

1. **GW SMHS on Campus:** A web site has been developed as some of the SMHS community comes back to campus over the coming weeks. For guidelines and updates, please visit: smhs.gwu.edu/smhsoncampus

2. We have heard from members of our community that they want to support our mission during this time of need. The **GW COVID Response Fund** was established to support the work of our faculty, staff, and students during this crisis.
