

Request for Elective Rotation

Medicare regulations require the GME Office to provide detailed and accurate information on resident rotations, including electives. GW Residents and fellows who wish to pursue elective rotations or research at a non-affiliated institution must have approval from the Associate Dean for GME. The rotation must provide an educational experience that is not available at GW.

Please complete the information on this form and email it to Kate Turner (turnerkate@gwu.edu). You will receive an email with the online GME Request Form for an Elective Rotation.
