The submission of materially false or misleading information on an application form or in connection with the application process shall be grounds for rejection. If such a submission is discovered after entrance into the medical school or award of a degree, it shall be grounds for dismissal or for revocation of the degree. I understand if conditionally accepted I must undergo a criminal background check via the AMCAS application service. I have reviewed the Technical Standards policy. No part of this application was created using artificial intelligence, any other available tools or another author but it is only my own writing.

I acknowledge that I understand that matriculation into the MD program is conditional. If I do not meet the criteria set by the Committee on Admissions and specified in my contract I will be dismissed from the early selection program and the decision will be final.
