Asking Questions

The question and answer period of the conference will be interactive. We have scheduled approximately 15 minutes for questions at the end of each presentation. To submit a question, simply type your question in the designated area in the right column of the screen at any time during the conference. If your question is not selected to be answered during the webinar, you can re-submit the question by e-mail to info@urgentmatters.org

URGENT
Matters

The screenshot shows a webinar interface. On the left, a large light blue oval contains the text "URGENT Matters" in red and blue. On the right, a sidebar contains a "Q&A Panel" section, which is circled in red. Below the Q&A panel, there is a text input field with the placeholder text "Type Questions Here" and a "Submit" button, both also circled in red. The interface includes standard browser navigation buttons and a top menu bar.
