

## **GME Office – Minimum Paperwork Requirements for new Residents and Fellows**

- ERAS application (if the candidate is not applying through ERAS, please call GME for a generic application)
- For non-ERAS applicants, CV listing all work experience since Medical School
- Letters of recommendation
- Personal Statement (if required by the program)
- ECFMG Certificate, if applicable
- USMLE scores: Step 1, Step 2 CK and CS; USMLE Step 3 required for appointments at PGY 3 level or higher, or if the resident/fellow has a full license
- Visa status, if non-U.S. citizen....note: No H1-B visas!
- CURRENT contact information – this is especially important for advance match residents (ophthalmology, radiology, anesthesiology, neurology). Please verify contact information before submitting paperwork to the GME Office.
